Titus Inc.  
Suite 800  
343 Preston Street  
Ottawa, Ontario  
Canada  
K1S 1N4

Dear Sir/Madam,

This letter confirms that Dell Corporation is an active and confirmed reseller of Titus Inc. As a registered reseller Dell has access to Titus products, marketing, pre-sales and technical support.

Titus is a provider of user driven security and classification solutions for Microsoft Office, Outlook, SharePoint products along with Lotus Notes and non-Microsoft files. Titus has over 300 customers worldwide representing 1.5 million users. Our client base includes such notables as U.S Department of Veterans Affairs, U.S. Army, U.S. Air Force, Nokia and IMF to name a few.

If you require additional information on Titus, our solutions or our relationship with Dell Corporation please feel free to visit our website: [www.titus.com](http://www.titus.com) or contact me directly.

Thank you for your interest in Titus Inc.

Regards,

Mark Fitchett  
Global Channel Director
