Attachment 2-A
Experience and Capacity

STATE MAY DETERMINE YOUR SUBMITTAL IS NON-RESPONSIVE IF YOU DO NOT ANSWER ALL QUESTIONS FULLY.

DEFINITIONS

Architect Services, Engineer Services, Land Surveying Services, Assayer Services, Geologist Services and Landscape Architect Services: Those professional services within the scope of the practice of those services as provided in A.R.S § 32-101.

Branch Office: A geographically distinct place of business or subsidiary office of a firm that has a key role on the team.

Discipline: Primary technical capabilities of key personnel, as evidenced by academic degree, professional registration, certification, and/or extensive experience.

Firm: Defined in A.R.S § 32-101(B.13.).

Key Personnel: Individuals who will have major contract responsibilities and/or provide unusual or unique expertise.

Structure: How a business is organized to accomplish its objectives (ie, Sole Proprietor, Limited Liability Company, Cooperative, Corporation, Partnership, S Corporation).

1.0 Five (5) Example Projects

List no more than five (5) **ARIZONA PROJECT** Example Projects Which Best Illustrate Firms Qualification for this contract in the chart provided below. Select project where multiple team members worked together, if possible, that demonstrate the team's capability to perform work similar to that required for this qualifications list contract. (NOTE: The integrity of the chart table columns shall remain unchanged, however the rows for each project may be expanded by the Offeror to accommodate the information).

- a. Title and Locations of project or contract. For an indefinite delivery contract, the location is the geographic scope of the contract.
- b. Enter the year completed of the professional services (such as planning, engineering study, or design), and/or the year completed if construction. If any of the professional services or the construction projects are not complete, leave Year Completed blank and indicate the status in Brief Description of Project and Relevance to This Contract (block f).
- c. Project Owner or user, such as a government agency or installation, an institution, a corporation or private individual.
- d. Provide the original budget or not to exceed dollar amount for the project.
- e. Provide the Total Cost of the Project. If any of the professional services or construction projects is not complete, indicate the percentage complete and whether this project will be on budget, over or under budget.
- f. Brief Description: Indicate scope, size, and length of project, principle elements and special features of the project. Discuss the relevance of the example project to this contract.

 Description:
2017 Annual Professional Services List

Arizona Department of
 Administration
State Procurement Office
 100 N 15th Ave., Suite 201
 Phoenix, AZ 85007

Title and Location of Project	Design Completion Year	Construction Completion Year	Project Owner	Project Original Budget (or not to exceed amount)	Total Cost of the Project	Brief Description of Project
ADOA 1740 West Adams	2017	2018 (est)	Arizona Department of Administration	\$6.2 M	TBD Currently increasing Scope	Interior remodel of a 4 story building approximately 70,000 SF to house multiple state boards and their associated public boardrooms.
Maricopa County Security Building Upgrades	2013	2013	Maricopa County	\$3.6 M	\$3.6 M	Remodeled 45,000 square feet of space in the historic structure. The renovation work includes new flooring, wall partitions, doors and hardware, ceiling repair and replacement, including restoration and reconstruction of historic decorative plaster ceilings, paint.
Maricopa County East Court Building Renovations	2017	2017	Maricopa County	\$2.9 M	\$2.9 M	The design team mitigated code issues in the older building to upgrade the spaces to the current building codes as required. They added fire rated corridors, ramps for handicapped access and increased functionality of the restrooms in the judges' chambers. The entire floor was modernized as part of the county's facilities masterplan and the layout and amenities will serve as a template for additional floors in the building.
Apache Junction Police Headquarters Renovation	2015	2015	Apache Junction	\$350K	\$350K	DFDG renovated police headquarters to accommodate growing police force demographic. Created multi-functional layout for report writing and emergency operations.
Paradise Valley Municipal Court	2015	2015	Paradise Valley	\$1.9 M	\$1.9 M	This new Court building is on the Paradise Valley Town Campus. The facility provides a security for visitors and staff through metal detector and X-ray screening and physical separation. The facility includes a courtroom with video display, staff/judge offices, jury room, holding cell and public lobby/toilets.

Attachment 3-E
Israel Boycott Form

All materials submitted as part of a response to a solicitation are subject to Arizona public records law and will be disclosed if there is an appropriate public records request at the time of or after the award of the contract. Recently legislation has been enacted to prohibit the state from contracting with companies currently engaged in a boycott of Israel. To ensure compliance with A.R.S. §35-393.01. This form must be completed and returned with the response to the solicitation and any supporting information to assist the State in making its determination of compliance.

As defined by A.R.S. §35-393.01:

1. "Boycott" means engaging in a refusal to deal, terminating business activities or performing other actions that are intended to limit commercial relations with Israel or with persons or entities doing business in Israel or in territories controlled by Israel, if those actions are taken either:
 - (a) In compliance with or adherence to calls for a boycott of Israel other than those boycotts to which 50 United States Code section 4607(c) applies.
 - (b) In a manner that discriminates on the basis of nationality, national origin or religion and that is not based on a valid business reason.
2. "Company" means a sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company or other entity or business association, and includes a wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate.
3. "Direct holdings" means all publicly traded securities of a company that are held directly by the state treasurer or a retirement system in an actively managed account or fund in which the retirement system owns all shares or interests.
4. "Indirect holdings" means all securities of a company that are held in an account or fund, including a mutual fund, that is managed by one or more persons who are not employed by the state treasurer or a retirement system, if the state treasurer or retirement system owns shares or interests either:
 - (a) together with other investors that are not subject to this section.
 - (b) that are held in an index fund.
5. "Public entity" means this State, a political subdivision of this STATE or an agency, board, commission or department of this state or a political subdivision of this state.
6. "Public fund" means the state treasurer or a retirement system.
7. "Restricted companies" means companies that boycott Israel.
8. "Retirement system" means a retirement plan or system that is established by or pursuant to title 38.

All offerors must select one of the following:

- My company **does not** participate in, and agrees not to participate in during the term of the contract a boycott of Israel in accordance with A.R.S. §35-393.01. I understand that my entire response will become public record in accordance with A.A.C. R2-7-C317.
- My company **does** participate in a boycott of Israel as defined by A.R.S. §35-393.01. :

By submitting this response, proposer agrees to indemnify and hold the State, its agents and employees, harmless from any claims or causes of action relating to the State's action based upon reliance on the above representations, including the payment of all costs and attorney fees incurred by the State in defending such an action.

Attachment 5-A
Confidential Information Designation

All materials submitted as part of a response to a solicitation are subject to Arizona public records law and will be disclosed if there is an appropriate public records request at the time of or after the award of the contract. Recognizing there may be materials included in a solicitation response that are proprietary or a trade secret, a process is set out in A.A.C. R2-7-103 (copy attached) that will allow qualifying materials to be designated as confidential and excluded from disclosure. For purposes of this process the definition of "trade secret" will be the same as that set out in A.A.C. R2-7-101(52).

Complete this form return it with your Offer along with the appropriate supporting information to assist State in making its determination as to whether any of the materials submitted as part of your Offer should be designated confidential because the material is proprietary or a trade secret and therefore not subject to disclosure.

STATE WILL NOT CONSIDER ANY MATERIAL IN YOUR OFFER "CONFIDENTIAL" UNLESS DESIGNATED ON THIS FORM.

Check one of the following – if neither is checked, State will assume that as equivalent to "DOES NOT":

<input checked="" type="radio"/>	This response DOES NOT contain proprietary or trade secret information. I understand that my entire response will become public record in accordance with A.A.C. R2-7-C317.
<input type="checkbox"/>	This response DOES contain trade secret information because it contains information that: <ol style="list-style-type: none"> 1. Is a formula, pattern, compilation, program, device, method, technique or process, AND 2. Derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use; AND 3. Is the subject of efforts by myself or my organization that are reasonable under the circumstances to maintain its secrecy.

NOTE: Failure to attach an explanation may result in a determination that the information does not meet the statutory trade secret definition. All information that does not meet the definition of trade secret as defined by A.A.C. R2-7-101(52) will become public in accordance with A.A.C. R2-7-C317. State may make its own determination on materials in accordance with A.A.C. R2-7-103.

If State agrees with Offeror's designation of trade secret or confidentiality and the determination is challenged, the undersigned hereby agrees to cooperate and support the defense of the determination with all interested parties, including legal counsel or other necessary assistance.

By submitting this response, Offeror agrees that the entire Offer, including confidential, trade secret and proprietary information may be shared with an evaluation committee and technical advisors during the evaluation process. Offeror agrees to indemnify and hold State, its agents and employees, harmless from any claims or causes of action relating to State's withholding of information based upon reliance on the above representations, including the payment of all costs and attorney fees incurred by State in defending such an action.

***Copy of A.A.C. R2-7-103 [Confidential Information]
as was current at time of Solicitation issuance***

PROVIDED FOR REFERENCE ONLY

- A. *If a person wants to assert that a person's offer, specification, or protest contains a trade secret or other proprietary information, a person shall include with the submission a statement supporting this assertion. A person shall clearly designate any trade secret and other proprietary information, using the term "confidential". Contract terms and conditions, pricing, and information generally available to the public are not considered confidential information under this Section.*
- B. *Until a final determination is made under subsection (C), an agency chief procurement officer shall not disclose information designated as confidential under subsection (A) except to those individuals deemed by an agency chief procurement officer to have a legitimate state interest.*
- C. *Upon receipt of a submission, an agency chief procurement officer shall make one of the following written determinations:*
- 1. The designated information is confidential and the agency chief procurement officer shall not disclose the information except to those individuals deemed by the agency chief procurement officer to have a legitimate state interest;*
 - 2. The designated information is not confidential; or*
 - 3. Additional information is required before a final confidentiality determination can be made.*
- D. *If an agency chief procurement officer determines that information submitted is not confidential, a person who made the submission shall be notified in writing. The notice shall include a time period for requesting a review of the determination by the state procurement administrator.*
- E. *An agency chief procurement officer may release information designated as confidential under subsection (A) if:*
- 1. A request for review is not received by the state procurement administrator within the time period specified in the notice; or*
 - 2. The state procurement administrator, after review, makes a written determination that the designated information is not confidential.*

Chad Billings, AIA, LEED AP BD+C
Project Director / Manager

Chad Billings is a partner in the firm, and our Director of Sustainability. He combines his architectural skill set and knowledge of architectural design with the use of sustainable building methods and materials to design buildings and facilities that minimize negative impacts to the environment. As a principal and project manager, Chad balances the team's technical skills and creative aptitude in a fast-paced environment to deliver a building that meets the client's timetable and financial plan.

His community leadership role in the US Green Building Council, Arizona Chapter- Central Branch for five years including as 2014 Chairperson of the chapter's governing council prove he has dedicated himself to sustainability, both within the firm and in the greater Phoenix area. He has played a role in all of the firm's Leadership in Energy and Environmental Design (LEED) related projects. Chad's ability to coordinate diverse project teams to establish and guide goals and expectations has made him a valuable asset to the firm.

Michael L. Schmitt, AIA, LEED AP
Project Director / Manager

Mike is a Principal and Senior Project Director with DFDG, and has designed commercial, industrial, and public sector projects involving both new design and renovation. The majority of Mike's work with DFDG has been with design-build and CMAR project delivery, and he is well respected for his ability to work in the collaborative project delivery environment.

His passion is for the planning and design of highly sustainable projects. Mike is skilled in the art of leading the integrated design process for large, complex projects, and in building team consensus around the ideas and concepts that are generated by the group. He is a hands-on leader, fully committed to the Owner's interests from the beginning to the end of each commission.

John W. Dick, AIA
Project Director/Project Manager

John Dick is the founding principal of Dick & Fritsche Design Group. His continuous involvement in the design and construction industry since 1960 includes all phases of project management, programming, design and construction administration. His enthusiasm and interest in community driven projects has led to a project portfolio with hundreds of local projects in the greater Phoenix area. His approach to building design balances creativity, building performance and project costs and has produced many satisfied clients. With John's guidance, the firm has achieved many architectural design awards including a Valley Forward Environmental Excellence Award for DFDG's own building on McKinley Street in Phoenix. The firm's projects have received recognition and have been featured in industry magazines.

Darrin L. Orndorff, AIA, LEED AP BD+C
Project Director/Project Manager

Darrin Orndorff is a firm principal and a front-runner in developing quality control policies and procedures for alternative delivery projects including CMAR and Design/Build at DFDG. He has taken a lead role in promoting the implementation of new technologies including various graphic evaluation tools and integration of BIM technologies firm-wide. He advocates the use of design models to improve our clients' projects. His expertise includes all project phases from concept design and design development to construction documents, through construction administration and project close-out.

For many large projects, his talents have focused on the construction phases of project development. His extensive technical knowledge assists in creating design solutions to any problems encountered on project job sites.

With more than \$250 million of design and construction projects in his portfolio, Darrin maintains a positive relationship with owners, contractors and subcontractors.

Becky Tomasek, IIDA, ASID, LEED AP ID+C
Interior Designer

Becky Tomasek is the firm's Director of Interior Design. She works closely with the design team and the client's team to articulate strategies and core values with the dynamic use of space. She makes sure the client's vision for the project's interior architecture is maintained during the course of design and construction.

Becky's experience in commercial interior design and higher education environments includes all project phases from programming to construction administration. She interfaces with the client on the coordination of interior architecture and design. The focus of her work is the user experience and her wide-ranging portfolio includes both new construction and renovation projects of all sizes for both private and public sector clients. She is active among the local interior design community and is a past president for the Southwest Chapter of the International Interior Design Association (IIDA).
