RE: En Pointe Technologies 2010 Authorization Letter

To Whom It May Concern:

Please be advised En Pointe Technologies is an authorized reseller for Attachmate licensing products for the calendar year 2010. This letter authorizes En Pointe Technologies to sell in the United States and Canada. This means they can resell Attachmate licenses, maintenance and box products as outlines in the Attachmate reseller agreement and our authorized distributor's reseller agreement.

Best regards,

A handwritten signature in black ink, appearing to read 'Stephanie Frank', written over a horizontal line.

Stephanie Frank
