To Whom It May Concern:

As of August 31, 2009, En Pointe is an authorized Microsoft Large Account Reseller, allowing En Pointe, to offer the Microsoft Select and Enterprise Agreement volume licensing programs to end customers. Such authorization is effective as of July 1st, 2009 and continues through July 30th, 2010, unless earlier terminated or mutually extended by the parties.

In addition, they hold several additional certifications and authorizations based on their skills, resources and investment in the Microsoft partnership.

The resale of all other Microsoft license types (single user licenses, Microsoft Open Licenses) does not require authorization from Microsoft.

Sincerely,
