Certificate of Compliance

Reduction of Toxics in Packaging

We certify that all packing and packaging components sold to Francotyp-Postalia, Inc. d/b/a: FP Mailing Solutions, or its subsidiaries in the 50 United States and US Territories, comply with the requirements of the toxics in packaging law(s). Specifically:

- 1) We certify that the regulated metals – lead, mercury, cadmium, and hexavalent chromium – were **not intentionally added** to any package or packaging component during the manufacturing process.
- 2) We further certify that the **sum of the incidental concentration levels** of lead, mercury, cadmium and hexavalent chromium present in any package or package component does not exceed 100 parts per million by weight.
- 3) We will maintain adequate documentation of this certification of inspection upon request.
