

September 1, 2010

To Whom It May Concern:

As of September 1, 2010, Insight Enterprises, Inc. (Insight) holds the following MS authorizations:

- LAR (Large Account Reseller) - allowing Insight to offer the Microsoft Select volume licensing program to end customers
- ESA (Enterprise Software Advisor) - allowing Insight to service and support Microsoft Enterprise Agreements
- ADR (Authorized Direct Reseller) – allowing Insight to offer Microsoft Open Value Agreements
- AER (Authorized Education Reseller) - allowing Insight to offer Microsoft academic products to education customers
- SPLA (Service Provider Licensing Agreement) - allowing Insight to offer Microsoft Hosted License Agreements

In addition to reseller authorizations noted above, Insight is a **Microsoft Gold Certified Partner**. Microsoft Gold Certified Partners are the elite Microsoft Business Partners who earn the highest customer endorsement. Microsoft Gold Certified Partners have passed the highest level of requirements from Microsoft and have demonstrated the most robust, efficient and scalable implementations of Microsoft technologies in demonstrated enterprise customer deployments or an on-site Microsoft assessment. Insight is a Microsoft Gold Certified Partner with expertise in the following tracks:

- Microsoft Gold Certified Partner for OEM Hardware Solutions
- Microsoft Gold Certified Partner for Information Worker Solutions
- Microsoft Gold Certified Partner for Advanced Infrastructure Solutions
- Microsoft Gold Certified Partner for Licensing Solutions
- Microsoft Gold Certified Partner for Security Solutions

Such authorizations are effective as of September 1, 2010, and continue through August 31, 2011, unless earlier terminated or mutually extended by the parties.

Sincerely,

Dear James,

This is to inform you and your customers that Insight holds Worldwide ALC Reseller status with Adobe. This is the highest authorization level for Adobe resellers.

Insight is a highly preferred reseller partner with the distinction of world-wide authorization to sell all Adobe products, services, and licensing programs to corporate, government, and education customers.

Insight has been authorized to sell Adobe products for over 15 years.

Sincerely,

Dear Steve:

Per your request, this letter confirms that Insight Public Sector, Inc. (Insight) is enrolled with IBM as a reseller of IBM Passport Advantage Workstation Software products. As a reseller of Passport Advantage Workstation Software, Insight acquires IBM software from an IBM Distributor of Workstation Software. Insight is an advanced member of the IBM PartnerWorld Program holding the appropriate certifications required for that level of membership. As a reseller of IBM-Passport Advantage Workstation Software, Insight is enabled to pass software license and warranty for IBM software available through IBM Passport Advantage program to their customers.

Insight is currently approved to sell in the IBM Software Value Program. This allows Insight to sell to their customers in 12 IBM Brand Families in 2011 including the following:

Information Management Heritage
Information Management Data
Lotus Portal
Lotus SS and UC
Rational (all)
Tivoli Business Automation
Tivoli EAM
Tivoli Storage
Tivoli Security
Websphere BPM
Websphere Core
Software Value Net Products (Optim, FileNet, InfoSphere, Cognos) for Gov't

IBM is providing this letter solely for your use with specific customers who have required it in connection with bid requests.

Sincerely,
