

Accessing POs and Change Orders

This quick reference guide is designed to help vendors understand how to access Purchase Orders (POs) and Change Orders sent to them in the State of Arizona's new eProcurement system, ProcureAZ. PO and Change Order notifications will be sent to the primary email address associated with the vendor's profile, not to individual vendor users. If your entity has received a notification about a PO or Change Order via email, follow the steps in this guide to access and review the document.

Login to ProcureAZ

The first step is to login to ProcureAZ at <https://procure.az.gov/bsa/login.jsp> using your login ID and password. The email you received notifying you about the PO or Change Order will also contain a link to the system that you can click.

Printing a Purchase Order

All POs issued to you will stay within ProcureAZ indefinitely, so you do not need to print it out. However, if you would like to print out a paper copy of a PO, click on the **Print** button on the bottom of the screen while looking at the PO. ProcureAZ will preview the PO on the screen and you can then print the PO to the printer of your choice or save it to your computer.

Accessing POs and Change Orders

Finding and Acknowledging a Change Order

You will be notified of Change Orders if an agency has made changes to a PO they've previously sent you. Notifications of Change Orders will also be sent to the primary email address associated with the vendor's profile, and not to individual users established for the vendor's profile. Change Orders are accessed in exactly the same way as the PO, and are visible on the PO document in the **Change Orders** section.

Just like POs, you will be asked to acknowledge receipt of Change Orders upon selecting the PO to view. Check both of the check boxes on the left and click on the **Proceed** to view the PO and its Change Order(s).

Finding Bilateral Change Orders

Some Change Orders may require your approval before they are applied to the PO. These are referred to as "Bilateral Change Orders." Notifications of approval requests for Bilateral Change Orders will be sent to individual user accounts established for your vendor profile.

Accessing POs and Change Orders

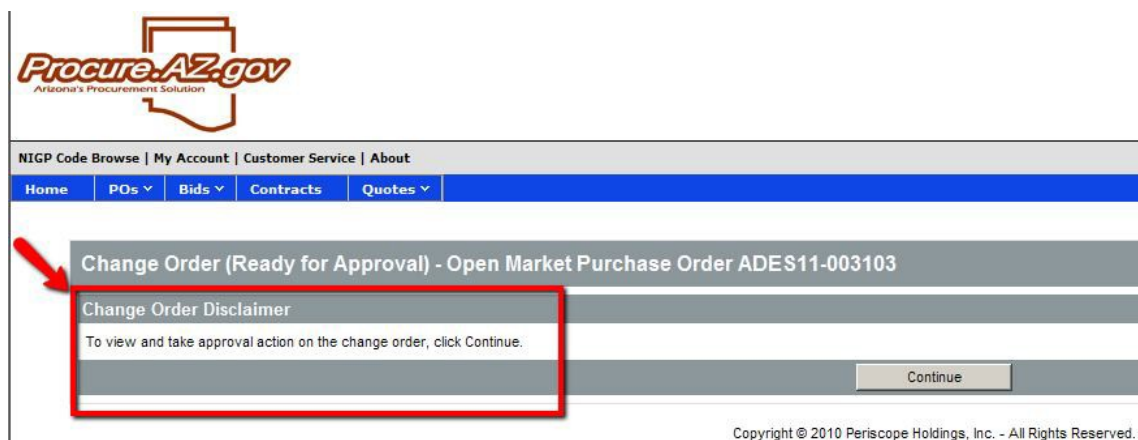

After you've received this notification, the Change Order is visible from your homepage within ProcureAZ under the PO tab within the **Change Orders Pending My Approval** section.

Approving Bilateral Change Orders

If you have been notified of a Change Order that you need to approve, upon selecting the document, follow the steps below to take action:

1. The **Change Order Disclaimer** screen will appear. You will need to accept it by clicking the **Continue** button.

Accessing POs and Change Orders

- Review the Change Order onscreen.

NOTE: If you want to review the entire PO, click the *Cancel and Exit* button. This will return you to your homepage. Select the PO tab again, then click on the PO# from the *Purchase Orders - Sent* section.
