Date: August 10th, 2022
To: Arizona Procurement Portal (APP) Agency Users
From: APP Help Desk
Subject: APP Added Feature

In an effort to mitigate strain on the system, APP has added reCaptcha to public portal and downloads. This will ensure that automated programs, bots, etc. do not have the ability to overload APP with traffic. This will result in a smoother and faster user experience when utilizing APP.

If you have any questions or concerns with this new feature please contact the APP Help Desk at **602-542-7600** or app@azdoa.gov.

Thank you.
