Re: APP Pre-Tag Meeting [CANCELED]

Good morning everyone,

We are approaching our monthly APP system maintenance, which will take place on **January 23, 2024, after 5 p.m.** Due to the limited deliverables in this month's TAG, we have decided to cancel the Pre-Tag meeting with the Agencies.

The Knowledge Transfer will still take place on **Wednesday, January 29, 2024, at 2:30 p.m.**, to review the tag deliverables and give an in-depth presentation on what went into the system.

Please visit the [APP Dashboard](#) for items going into the January Maintenance.

If you have any questions, please email us at spo@azdoa.gov.

Thank you for your understanding,

APP TEAM
