APP Metric Dashboard:

This Dashboard offers the most up-to-date information on all areas of the State Procurement Office's APP Teams' operational metrics. You can also follow the vendor's progress on tickets that impact your agency from conception to TAG delivery [here](#).

Knowledge Transfer - APP Leads Only:

The meeting will review up-and-coming changes, deliverables, and what is happening within the Arizona Procurement Portal team. These meetings will be held monthly on the last Wednesday of the month. If you have received our invitation we look forward to seeing you!

TAG - Lead & Agency Update:

We invite you to join our recurring monthly meeting, held before every TAG Release. During these sessions, we will:

1. Discuss upcoming Fixes to the Arizona Procurement Portal
