Description:

The purpose of this Solicitation is to solicit the State’s Multi Temporary Staffing - Managed Services Provider for Eligible Agencies, Employees, and the State of Arizona. The State of Arizona currently has a single Managed Services contract with ACRO Service Corporation. This includes a series of categories and position types. The current contract is based on a percentage markup over the pay rate per category model.

The intends to contract with a single Managed Services Provider (MSP) to provide the sourcing, assignment, and management for all assignments regardless of personnel class or project for Multi-Temporary Staffing (MTS) services. The establishment of a single Multi-Temporary Staffing services Managed Services Provider (MTS-MSP) provides an efficient method to obtain Staff Augmentation and Project Based Consulting Services for the State Agencies, Boards and Commissions, and State Cooperative Members and a method to achieve greater accountability for the State regarding sourcing usage and usage of funding resources.

The State seeks an MSP to facilitate and support program-wide standardization, where applicable. Standardization further supports the State's goal of achieving greater accountability and financial efficiencies.
