

SPO ALERT

Date: March 20, 2023

To: State Agency Chief Procurement Officers and Cooperative Program Members

From: Arizona Department of Administration/State Procurement Office

Re: Satellite Communication

The Arizona Department of Administration (ADOA)/State Procurement Office (SPO) is requesting all eligible agencies and cooperative member to provide input for Statewide Cooperative contracts for Satellite Communication. Currently we are looking at Telecommunications (Satellite phone and tracking devices) and Data Communications (Internet). The Broadcasting category is currently not being considered. However, it could be added if a need exists.

Please provide a summary of your needs and requirements to Jim Atkins at james.atkins@azdoa.gov, no later than Friday March 31, 2023.

If the needs and requirements warrant a Statewide/Cooperative contract, an invitation to participate in a Focus group for the development of the Statement of Work will be sent out to participants no later than April 7, 2023.
