Re: SPO Alert - Arizona Procurement Code

The Arizona Procurement Code was revised based on the approved final expedited rulemaking. Please discard any previous copies, as the August 2022 effective date is now the current version. It is available via this link at spointra.az.gov > [Resources](#) > [Procurement Regulations](#) > [Arizona Procurement Code \(Effective August 2022\)](#)

The publication is available as an electronic file; ADOA will not be printing or distributing physical/paper copies.

Please note: In order to ensure that you are utilizing the most updated version(s), please refrain from saving the file(s) (as it/they will be a static version). Instead, always refer to the link(s) above to be confident you have the most recent version(s).

If you have any questions, please contact SPOCompliance@azdoa.gov.

Thank you,

SPO Compliance
