

## SPO ALERT

**Date:** June 10, 2024  
**To:** State Agencies and Cooperative Members  
**From:** State Procurement Office  
**Re:** Off-Site Media Storage

The State has reviewed the usage for CTR044187 Off-Site Media Storage to determine if a Statewide Contract is warranted. Based on the data that was obtained, The State has determined that we will not be doing a full formal solicitation to replace the current contract set.

Due to the current contract set's expiration date being April 30, 2024, The State has extended the expiration date into the next fiscal year until July 31, 2024 via Competition Impracticable. Agencies should use a blanket PO based upon their needs for FY25.
