RE: Professional Broadcast and Audio Visual New Equipment, Maintenance and Support Services

Based upon a protest finding from Solicitation BPM005378, Professional Broadcast and Audio Visual New Equipment, Maintenance and Support Services, all contract awards are cancelled immediately. Any order received by those suppliers under the contract prior to this cancellation shall be fulfilled in accordance with the Contract Terms and Conditions. No new orders shall be accepted under the cancelled award. The State Procurement Office plans on issuing a new RFP in the next few weeks.

The previous contract set, Audio/Visual Equipment & Services, has been extended through June 30th, 2024 to ensure coverage of goods and services. Below is a list of the contracts and their extension status:
