Re: SPO Alert: MTS-MSP Multi-Temporary Staffing Services - Managed Service Provider

The State Procurement Office has awarded the contract for MTS-MSP Multi-Temporary Staffing Services - Managed Service Provider to *Acro Service Corporation*. The contract start date is January 1, 2023, and can be used by Statewide Eligible Agencies.

Contract #	Supplier	Contract Start Date	Contact Info
CTR060284	Acro Service Corporation	1/1/2023	Michael Cox Sr. Business Development Manager mcox@acrocorp.com (480) 404-8851

Over the next six months, Acro will be working with incumbent subcontractors to transition seated resources (active temps) to the new contract, this transition will take effect when the existing temp contract ends on 12/31/22. This transition will ensure that Agencies maintain their current temp/project staff to avoid any disruption to ongoing services. If an incumbent subcontractor elects not to sign on with Acro, then Acro will replace the existing resource with a new candidate through the MTS-MSP Contractor's Vendor Network.

Please feel free to contact Mr. Cox at the email above if you have any concerns on the transition of a temp, he can provide information on the subcontractors they have already signed, and look into resources you want to keep.

If there are any questions, please feel free to contact Nyesha Daley at Nyesha.Daley@azdoa.gov
