

Vendor Registration

In order to receive notifications about Bid opportunities or to be issued Purchase Orders (POs) through ProcureAZ, vendors must be registered within the system. Vendors can register themselves by accessing the ProcureAZ login screen and selecting **Register**.

Providing Company Information

Clicking the **Register** link generates a pop-up window. If the pop-up window doesn't appear please go to your browser settings and 'allow' pop-ups for procure.az.gov.

Tax ID*: 000000006

Company Name*: Wile E. Coyote Ente

Is Tax ID # an Employer Identification Number (EIN) or a Social Security Number (SSN)?

International Vendors, select EIN. ☒ EIN ☐ SSN

Country*: US - United States of America

Email Address*: roadrunner@moveme

Submit

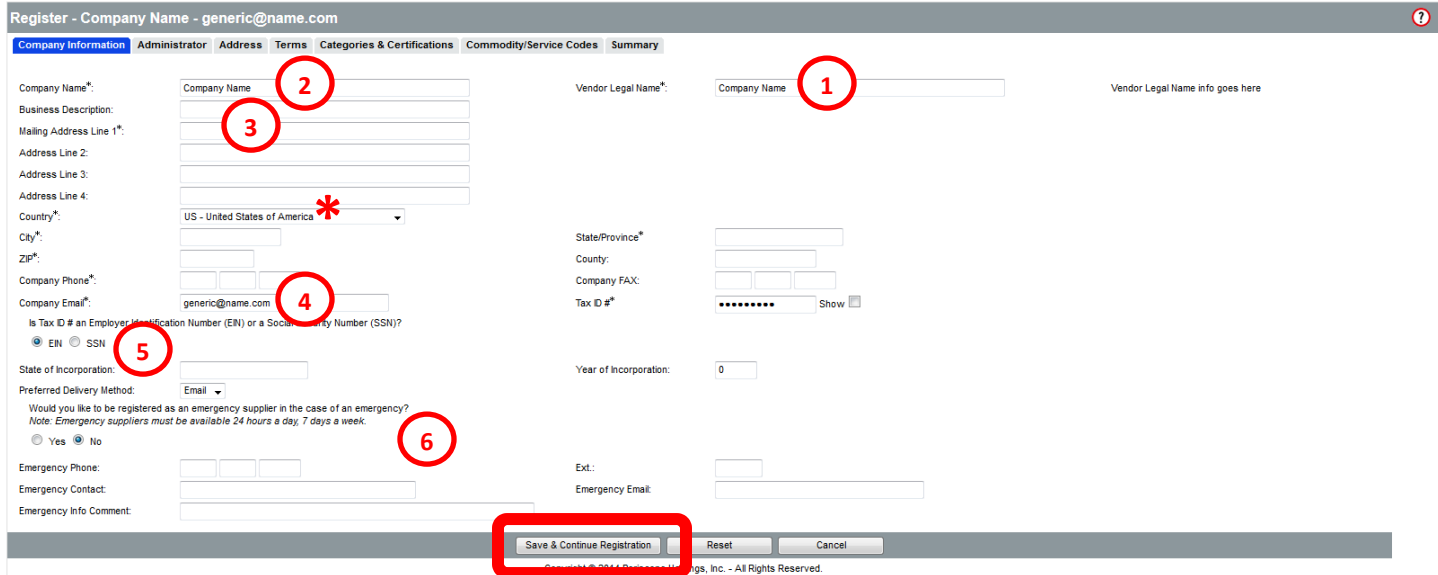

In the pop-up window provide your entity's tax identification number and name. If you are a foreign vendor, select the appropriate country of incorporation. Click **Submit**. ProcureAZ will confirm the uniqueness of your tax ID in the system. If your tax ID is already present, you will be notified that you cannot complete registration.

The Company Name you provide MUST match the name your company has on file with the IRS. If it doesn't match the State of Arizona will not be able to pay you. If you are using your Social Security number your Company Name MUST match what is on your Social Security card. The State of Arizona will check the IRS database to make sure the information you enter in ProcureAZ matches what is on file with the IRS and will disable your ProcureAZ account if it doesn't.

If you are certain your entity has not registered and you received the notification your company is already registered, contact the ProcureAZ Help Desk at (602) 542-7600 and press option 3.

Vendor Registration

If your tax ID is new to the system, a **Register** screen will appear. In the **Company Information** section, supply your company's official address and contact information.

The screenshot shows the 'Register - Company Name - generic@name.com' form. The 'Company Information' tab is active. Numbered callouts indicate the following fields:

- 1: Vendor Legal Name*
- 2: Company Name
- 3: Mailing Address Line 1*
- 4: Company Email*
- 5: Is Tax ID # an Employer Identification Number (EIN) or a Social Security Number (SSN)? (Radio buttons for EIN and SSN)
- 6: Would you like to be registered as an emergency supplier in the case of an emergency? (Radio buttons for Yes and No)

Other fields include Business Description, Address Line 2, Address Line 3, Address Line 4, Country* (US - United States of America), City*, ZIP*, Company Phone*, State/Province*, County*, Company FAX*, Tax ID #*, Year of Incorporation, Preferred Delivery Method, Emergency Phone, Emergency Contact, and Emergency Info Comment. The 'Save & Continue Registration' button is highlighted with a red box.

The following fields are automatically filled out based on the information you entered in the pop-up window (see numbers above):

1. Vendor Legal Name
2. Company Name
- * Country
4. Email

You are required to enter information in fields marked by an asterisk (*). The notes below explain what should be entered in the required fields (the numbers below match information to the same numbered fields above):

1. The Vendor Legal Name you provide **MUST** match the name your company has on file with the IRS. If the information doesn't match the State of Arizona will not be able to pay you. If you are using your Social Security number your Company Name **MUST** match what is on your Social Security card.
2. The Company Name can be either your Legal Name or the name you do business under (DBA name). **THE NAME IN THIS FIELD SHOULD MATCH THE COMPANY NAME ON YOUR INVOICES.**
3. Use Mailing Address Line 1 to enter the street address of your company. Enter the name of your company as it will appear on your invoices to the State on Mailing Address Line 2 **ONLY** if it is different than your company's legal name. If your company name on your invoices is the same as your legal name you only need to complete the street address information along with any building or suite numbers. **Do not use Mailing Line 3 or 4.** Make sure you fill out the City, State, Zip and Company Phone fields as well.

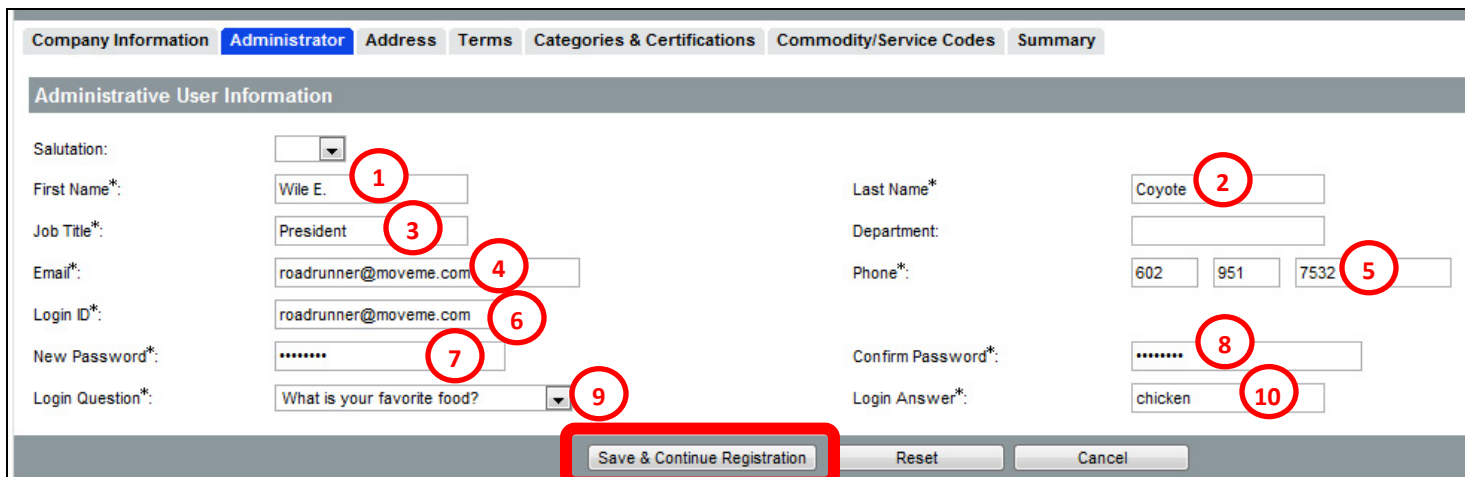

Vendor Registration

4. **The email address entered in the Company Email field is the only one that will receive automatic notifications of bids.**
5. Please make sure you have marked the correct **Tax ID#** type—if this is incorrect it will hold up payments to you from the State.
6. Filling out the information to be an emergency supplier means you are available 24 hours a day, 7 days a week to fill emergency State orders.

When you have completed the required fields (and optional ones you felt were relevant to you) click the **Save & Continue Registration** button at the bottom of the screen. You will automatically be taken to the next registration tab. You may also receive an automated email at this point notifying you of an incomplete registration.

Providing Administrator Information

In the **Administrator** section provide the information for an administrative user from your business. This user will be responsible for managing users, updating contact information and maintaining general business information.

The following fields require information in order for you to move on to the next section and be able to login to a partially completed registration if you need to leave the process in the middle:

1. First Name.
2. Last Name.
3. Job Title.
4. Email (**this email address does not receive automatic notifications of bids unless it is the same email address that is listed in the Company Email field on the General tab**).
5. Phone.

Vendor Registration

6. Login ID – this must be unique in the system and a minimum of 5 characters, so we recommend using your email address.
7. New Password – your password must have a minimum of 6 characters with no spaces or special characters (only letters and numbers are allowed). This password is temporary. You will be asked to change it the first time you log in to ProcureAZ.
8. Confirm Password
9. Login Question – you have a choice of four in the drop-down menu.
10. Login Answer

After completing the required fields click **Save & Continue Registration**. You may add more users after you have completed the registration process.

Providing Address Information

The **Address** tab will automatically pull the address information you entered on the **General** tab, name it **General** and give it the **Address Type** of **General Mailing Address**. You can add another address at this time or move on to the **Terms** tab.

If payments must be sent to a different address (Remit Address) from the one used in the General tab enter that address now.

To add another address click the **Add Another Address** button (1). To move on click the **Continue Registration** button (2).

The screenshot shows the 'Address' tab in the registration process. At the top, there are tabs for 'Company Information', 'Administrator', 'Address' (selected), 'Terms', 'Categories & Certifications', 'Commodity/Service Codes', and 'Summary'. Below the tabs, a header reads 'Maintain Addresses for: Roadrunner Moving and Storage'. A table with five columns is displayed: 'Name', 'Address Type', 'Address Information', 'Status', and 'Default for Type'. The first row contains the following data: 'General' (circled in red), 'General Mailing Address' (circled in red), 'Wile E. Coyote, Roadrunner Moving and Storage, 1000 N Canyon Way, Phoenix, AZ 86007, US, Email: roadrunner@moveme.com, Phone: (602)951-7531, FAX: (602)951-7595', 'Active', and 'Yes'. At the bottom of the form, there are two buttons: 'Add Another Address' (labeled with a red circle and the number 1) and 'Continue Registration' (labeled with a red circle and the number 2).

Selecting Your Terms

The State cannot send your business a purchase order unless you have selected **Payment Terms** from the drop-down menu on the **Terms** tab. If your business does not have specific payment terms the State standard is **Net 30**. This option is found at the bottom of the choices in the drop-down menu. When responding to a Bid you can choose to use your default payment terms or select different ones in your quote.

Tax ID Certification

Click the checkbox to certify the Employer Identification Number (EIN) or Social Security Number (SSN) you entered in the first pop-up window is correct (this checkbox takes the place of a physical signature).

Category: Tax ID Certification	
Description: A person or entity (in this case, the State of Arizona) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA. You must certify that the TIN you are providing is correct.

Category: Backup Withholding Certification	
Description: What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called backup withholding. The 28% rate is effective until December 31, 2010, and the new rate is to be distributed by the IRS thereafter. Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, reportable gross proceeds paid to attorneys, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding. For more information, go to www.irs.gov

If you are subject to backup withholding you must indicate so here. Most registrants select the middle option: "Under penalties of perjury, I certify that I am not subject to backup withholding because I have not been notified by the IRS that I am subject to backup withholding as a result of a failure to report all interest or dividends."

Citizenship Certification

Select the box certifying you are a US citizen or resident alien, or select the box certifying you are registering for a foreign-based business.

Category: Citizenship Certification	
Description: For federal tax purposes, you are considered a U.S. person if you are: 1) An individual who is a U.S. citizen or U.S. resident alien, 2) A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, 3) An estate (other than a foreign estate), or 4) A domestic trust (as defined in IRS Regulations section 301.7701-7).

Registering for Commodity Codes (NIGP Codes)

The last step in the registration process is to select the commodity and services that your business provides. This will help ensure that you receive notifications about Bid opportunities for those commodities and services (**notifications will be sent to the email address listed in the Company Information tab only**).

Selecting commodity codes is not an exact process—multiple codes may apply to the goods and services your business provides, and different purchasing officers may choose different commodity codes for the same goods and services. Therefore, add as many commodity codes to your registration as you think remotely apply to your business.

Add commodity codes by using the **Keyword Search** field and selecting codes that apply from the results that display below the **NIGP Code Browse** bar.

3. If there are multiple pages of results, you need to select all the codes you want on the page in front of you, then click the **Save and Add More** button at the bottom of the screen (*). You will be taken back to the original search screen but your keyword will be saved in the **NIGP Keyword** field. Click the **Search** button again, and then click on the page number you want to view next and select more commodity codes from that page. Again, click the **Save and Add More** button (*) if there are more pages to review and repeat your search.
4. When you are finished adding commodity codes to your registration click the **Save and Continue Registration** button at the bottom of the screen to move on to the last registration tab. You can add and remove codes at any time after your registration is complete.

Since there is no guarantee a purchasing officer will choose one of the commodity codes linked to your vendor profile when publishing a bid, check the Open Bids link at <http://procure.az.gov> every so often to make sure you are not missing an opportunity.
