 Phoenix, AZ 85007

Attachment 2-A
Experience and Capacity

STATE MAY DETERMINE YOUR SUBMITTAL IS NON-RESPONSIVE IF YOU DO NOT ANSWER ALL QUESTIONS FULLY.

DEFINITIONS

Branch Office: A geographically distinct place of business or subsidiary office of a firm that has a key role on the team.

Discipline: Primary technical capabilities of key personnel, as evidenced by academic degree, professional registration, certification, and/or extensive experience.

Key Personnel: Individuals who will have major contract responsibilities and/or provide unusual or unique expertise.

Parent Company. Identify controlling company name in this field if the Firm is owned or controlled by another company.

Structure: How a business is organized to accomplish its objectives (ie, Sole Proprietor, Limited Liability Company, Cooperative, Corporation, Partnership, S Corporation). [See chart below for example:](#)

Entity Type	Structure
Corporation	S Corporation or C Corporation, or Professional Corporation
Cooperative	Cooperative
Partnership	General Partnership, Limited Partnership, Limited Liability Partnership, Limited Liability Limited Partnership
Sole Proprietor	Sole Proprietor
Limited Liability Company	Limited Liability Company or Professional Limited Liability Company

1.0 Five (5) Example Projects

List no more than five (5) example projects which best illustrate firm’s qualification for this contract in the chart provided below. Select projects where multiple team members worked together, if possible, that demonstrate the team’s capability to perform work similar to that required for this qualifications list contract. (NOTE: The integrity of the chart table columns shall remain unchanged, however the rows for each project may be expanded by the Offeror to accommodate the information).

- a. Title and Locations of project or contract. For an indefinite delivery contract, the location is the geographic scope of the contract.
- b. Enter the year completed of the professional services (such as planning, engineering study, or design), and/or the year completed if construction. If any of the professional services or the construction projects are not complete, leave Year Completed blank and indicate the status in Brief Description of Project and Relevance to This Contract (block f).
- c. Project Owner or user, such as a government agency or installation, an institution, a corporation or private individual.
- d. Provide the original budget or not to exceed dollar amount for the project.
- e. Provide the Total Cost of the Project. If any of the professional services or construction projects is not complete, indicate the percentage complete and whether this project will be on budget, over or under budget.
- f. Brief Description: Indicate scope, size, and length of project, principle elements and special features of the project. Discuss the relevance of the example project to this contract.

What primary functions
 will be assigned?

At the beginning of your project, WSM will commit to maintaining the same leadership until project completion.

Primary functions will differ depending on the type of project. For example if project is for full design through construction administration responsibilities may be as follows:

As Project Manager, Paul will perform these primary functions:

- Programming & Project budgeting
- Project meetings and presentations
- Contracts & Client satisfaction review
- Concept Design Development
- Document review and Quality Assurance
- Engineering Coordination
- Production Management
- Sustainable design issues and Energy Code
- Construction Administration

As Principal-in-Charge in support of one of our four experienced WSM Project Managers, Paul will perform these functions (see Key Personnel on the following pages):

- Programming & project budgeting
- Review of GMP (Guaranteed Maximum Price)
- Neighborhood & staff presentations
- Contracts & client satisfaction review
- Schematic & Design Development
- Document review and Quality Assurance
- Sustainable design issues and Energy Code

Or the roles for a Master Plan or Space Utilization, Facility Evaluation, or Feasibility study type projects primary functions may include:

- Project Kick-off to establish vision, work plan, and schedule, identify critical success factors
- Day-to-day project management and client service
- Creation of the Project Management Plan to outline tasks and milestones
- Conduct interviews with department heads, key staff members and officials
- Meet with stakeholders to identify ranking and weight of key evaluation criteria
- Programming & project budgeting

	<p>Master planning Neighborhood & staff presentations Conduct Focus Group Meetings to obtain feedback on recommendations Develop masterplan for current functions and next 10, 20, or 30 years</p>
<p>Describe person's experience in performing services like those that are to be assigned:</p>	<p>Paul brings over 30+ years of project experience on a local and national level, to his Principal leadership. Seventeen of those years were spent building a successful architecture firm in Arizona. Prior to the formation of WSM Architects, Inc. (formerly Welman Sperides Mickelberg Architects, PLC), he was a partner and project manager/designer for BKV Group in Minneapolis, Minnesota helping it grow into an 80-person Architecture and Engineering firm with a specialty in large public and commercial projects.</p> <p>Paul leads the WSM team with a strong emphasis on technology and customer service. As a specialist in public projects, he is accomplished in a collaborative design process and achieving client's goals within a tight timeframe and a fixed budget. He has dedicated the majority of his career in support of Municipal and Governmental project types as evidenced by his attached extensive resume.</p> <p>Since becoming LEED Accredited over 10 years ago, Paul and his firm have completed 11 LEED Certified projects for Municipal and Governmental clients, all exceeding their original sustainable design goals.</p>
<p>List person's job-related training and education:</p>	<p>Paul has been a registered architect for 30 years (in Arizona since 2000) and also maintains registration in 10 other states all of which have continuing educational requirements to stay current in construction codes and regulations. He is LEED Accredited BD+C. Paul graduated from the University of Minnesota in 1981 with a Bachelor of Arts, and a Bachelor of Architecture in 1983. He is a member of IAPE (International Association of Property and Evidence) and USGBC (United States Green Building Council). He is past President of the Southern Chapter of American Institute of Architects, 2012 and served on the Board of Directors for the Cornerstone Building Foundation.</p>

4	Name: Kristen DiBone	How long with company?	13 years
	Current position in company:	How long in position?	13
	Position for the Services:	How much of time will be dedicated to the Services?	70%
	What primary functions will be assigned? As Project Manager, Kristen will perform these primary functions: Programming & Project budgeting Project meetings and presentations Contracts & Client satisfaction review Concept Design Development Document review and Quality Assurance Engineering Coordination Production Management Sustainable design issues and Energy Code Construction Administration		
	Describe person's experience in performing services like those that are to be assigned: Kristen has 16 years of architectural experience and specializes in planning and design for public projects. She has held Adjunct Lecturer positions at the University of Arizona, and served on NCARB committees (National Council of Architectural Records). Skilled in Building Information Modeling (BIM), Kristen leads the team in a 3-D coordinated design process, providing an effective informational tool to view for planning and mitigating potential conflicts through "clash detection." As one of four qualified WSM Project Managers, Kristen will support all phases of design and construction for State projects. Kristen recently completed the Ten-Year Strategic Master Plan for Green Valley Recreation Center, Inc. and served as the Project Manager on Sundt Construction's new LEED Gold HQ facility in Tucson – winner of "Best Of" Office Building Projects within a five-state area by <i>ENR-Southwest Contractor</i> .

Attachment 3-E Israel Boycott Form

All materials submitted as part of a response to a solicitation are subject to Arizona public records law and will be disclosed if there is an appropriate public records request at the time of or after the award of the contract. Recently legislation has been enacted to prohibit the state from contracting with companies currently engaged in a boycott of Israel. To ensure compliance with A.R.S. §35-393.01. This form must be completed and returned with the response to the solicitation and any supporting information to assist the State in making its determination of compliance.

As defined by A.R.S. §35-393.01:

1. "Boycott" means engaging in a refusal to deal, terminating business activities or performing other actions that are intended to limit commercial relations with Israel or with persons or entities doing business in Israel or in territories controlled by Israel, if those actions are taken either:
 - (a) In compliance with or adherence to calls for a boycott of Israel other than those boycotts to which 50 United States Code section 4607(c) applies.
 - (b) In a manner that discriminates on the basis of nationality, national origin or religion and that is not based on a valid business reason.
2. "Company" means a sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, limited liability company or other entity or business association, and includes a wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate.
3. "Direct holdings" means all publicly traded securities of a company that are held directly by the state treasurer or a retirement system in an actively managed account or fund in which the retirement system owns all shares or interests.
4. "Indirect holdings" means all securities of a company that are held in an account or fund, including a mutual fund, that is managed by one or more persons who are not employed by the state treasurer or a retirement system, if the state treasurer or retirement system owns shares or interests either:
 - (a) together with other investors that are not subject to this section.
 - (b) that are held in an index fund.
5. "Public entity" means this State, a political subdivision of this STATE or an agency, board, commission or department of this state or a political subdivision of this state.
6. "Public fund" means the state treasurer or a retirement system.
7. "Restricted companies" means companies that boycott Israel.
8. "Retirement system" means a retirement plan or system that is established by or pursuant to title 38.

All offerors must select one of the following:

- My company **does not** participate in, and agrees not to participate in during the term of the contract a boycott of Israel in accordance with A.R.S. §35-393.01. I understand that my entire response will become public record in accordance with A.A.C. R2-7-C317.
- My company **does** participate in a boycott of Israel as defined by A.R.S. §35-393.01. :

By submitting this response, proposer agrees to indemnify and hold the State, its agents and employees, harmless from any claims or causes of action relating to the State's action based upon reliance on the above representations, including the payment of all costs and attorney fees incurred by the State in defending such an action.

Attachment 5-A
Confidential Information Designation

All materials submitted as part of a response to a solicitation are subject to Arizona public records law and will be disclosed if there is an appropriate public records request at the time of or after the award of the contract.

Recognizing there may be materials included in a solicitation response that are proprietary or a trade secret, a process is set out in A.A.C. R2-7-103 (copy attached) that will allow qualifying materials to be designated as confidential and excluded from disclosure. For purposes of this process the definition of "trade secret" will be the same as that set out in A.A.C. R2-7-101(52).

Complete this form return it with your Offer along with the appropriate supporting information to assist State in making its determination as to whether any of the materials submitted as part of your Offer should be designated confidential because the material is proprietary or a trade secret and therefore not subject to disclosure.

STATE WILL NOT CONSIDER ANY MATERIAL IN YOUR OFFER "CONFIDENTIAL" UNLESS DESIGNATED ON THIS FORM.

Check one of the following – if neither is checked, State will assume that as equivalent to "DOES NOT":

<input checked="" type="radio"/>	This response DOES NOT contain proprietary or trade secret information. I understand that my entire response will become public record in accordance with A.A.C. R2-7-C317.
<input type="checkbox"/>	This response DOES contain trade secret information because it contains information that: <ol style="list-style-type: none"> 1. Is a formula, pattern, compilation, program, device, method, technique or process, AND 2. Derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use; AND 3. Is the subject of efforts by myself or my organization that are reasonable under the circumstances to maintain its secrecy.

NOTE: Failure to attach an explanation may result in a determination that the information does not meet the statutory trade secret definition. All information that does not meet the definition of trade secret as defined by A.A.C. R2-7-101(52) will become public in accordance with A.A.C. R2-7-C317. State may make its own determination on materials in accordance with A.A.C. R2-7-103.

If State agrees with Offeror's designation of trade secret or confidentiality and the determination is challenged, the undersigned hereby agrees to cooperate and support the defense of the determination with all interested parties, including legal counsel or other necessary assistance.

By submitting this response, Offeror agrees that the entire Offer, including confidential, trade secret and proprietary information may be shared with an evaluation committee and technical advisors during the evaluation process. Offeror agrees to indemnify and hold State, its agents and employees, harmless from any claims or causes of action relating to State's withholding of information based upon reliance on the above representations, including the payment of all costs and attorney fees incurred by State in defending such an action.

**Copy of A.A.C. R2-7-103 [Confidential Information]
as was current at time of Solicitation issuance**

PROVIDED FOR REFERENCE ONLY

- A. *If a person wants to assert that a person's offer, specification, or protest contains a trade secret or other proprietary information, a person shall include with the submission a statement supporting this assertion. A person shall clearly designate any trade secret and other proprietary information, using the term "confidential". Contract terms and conditions, pricing, and information generally available to the public are not considered confidential information under this Section.*
- B. *Until a final determination is made under subsection (C), an agency chief procurement officer shall not disclose information designated as confidential under subsection (A) except to those individuals deemed by an agency chief procurement officer to have a legitimate state interest.*
- C. *Upon receipt of a submission, an agency chief procurement officer shall make one of the following written determinations:*
 - 1. *The designated information is confidential and the agency chief procurement officer shall not disclose the information except to those individuals deemed by the agency chief procurement officer to have a legitimate state interest;*
 - 2. *The designated information is not confidential; or*
 - 3. *Additional information is required before a final confidentiality determination can be made.*
- D. *If an agency chief procurement officer determines that information submitted is not confidential, a person who made the submission shall be notified in writing. The notice shall include a time period for requesting a review of the determination by the state procurement administrator.*
- E. *An agency chief procurement officer may release information designated as confidential under subsection (A) if:*
 - 1. *A request for review is not received by the state procurement administrator within the time period specified in the notice; or*
 - 2. *The state procurement administrator, after review, makes a written determination that the designated information is not confidential.*

JOEL D. MESIK, R.A., ICBO

WSM ARCHITECTS - PRINCIPAL & PROJECT MANAGER

Background: 17 years with WSM

Joel has over 30+ years of experience in the field of Architecture. He has extensive experience in the design and management of complex projects for municipal, institutional, and governmental projects. Joel is also a Certified Building Plans Examiner (ICBO) and utilizes this expertise to provide code compliance and quality control for all of our projects. Prior to joining WSM Architects, Joel was a Principal at Palafax Architects in Tucson. As one of four Project Managers at WSM, Joel will support all phases of design and construction for State projects.

- Building 9040 Tenant Improvement for LGR - 35,000 sf TI includes 7,000 sf of manufacturing space and 28,000 sf professional office space
- Building 808 Department Reorganization – field verification, conduct group interview, space planning
- M09 closed lab – space planning and construction for additional offices
- Building 845 hangar conversion feasibility study for facility change of use
- Welcome Center – feasibility study and virtual tour
- Building 807-803 – Miscellaneous tenant improvements
- 805 Javelin Conversion – DSWS Fit up space planning
- Building 801 – SM2 Program Mgmt. Office – space planning for operations consolidation
- Building 805 – GM Design Power HVAC to MPLS-computer room expansion
- SM TI 502 Lab remodel
- Registered Plant Services for the City of Tucson Annual Permit**
Architectural and engineering design services for the City's annual permit to act on the City's behalf as Registrant for the annual permit activities.

T. JOHN PRICE, AIA, NCARB

WSM ARCHITECTS - PROJECT MANAGER

Background: 21 years experience

John has 21 years of experience in the field of Architecture. John is a leader in the architecture field, serving as recent President of the American Institute of Architects, Southwest region, along with numerous other leadership positions. He has worked on a variety of project types ranging from office, educational, commercial, industrial, manufacturing, medical, and multi-family residential. Many of these projects have occurred in the downtown Tucson area, helping to develop the City into a more vibrant community.

Prior to joining WSM Architects, John worked at several of the top firms in Tucson. He served as Project Manager/Architect at Rob Paulus Architects, GDA Southwest, and Poster Frost, along with other firms while getting his registration. As one of four WSM Project Managers, John would support State Projects through all phases of design and construction.

KRISTEN DiBONE, AIA, LEED AP BD+C

WSM ARCHITECTS - PROJECT MANAGER

Background: 13 years with WSM

Kristen has 16 years of architectural experience and specializes in planning and design for public projects. She has held Adjunct Lecturer positions at the University of Arizona, and served on NCARB committees. Skilled in Building Information Modeling (BIM), Kristen leads the team in a 3-D coordinated design process, providing an effective informational tool to view for planning and mitigating potential conflicts through "clash detection." As one of four qualified WSM Project Managers, Kristen will support all phases of design and construction for State projects.

MELISSA CORNELIUS
EXECUTIVE DIRECTOR
FOR THE BOARD

STATE OF ARIZONA

Office of the
CORPORATION COMMISSION

CERTIFICATE OF GOOD STANDING

To all to whom these presents shall come, greeting:

I, Ted Vogt, Executive Director of the Arizona Corporation Commission, do hereby certify that

*****WSM ARCHITECTS, INC.*****

a domestic corporation organized under the laws of the State of Arizona, did incorporate on December 09 2008.

I further certify that according to the records of the Arizona Corporation Commission, as of the date set forth hereunder, the said corporation is not administratively dissolved for failure to comply with the provisions of the Arizona Business Corporation Act; and that its most recent Annual Report, subject to the provisions of A.R.S. sections 10-122, 10-123, 10-125 & 10-1622, has been delivered to the Arizona Corporation Commission for filing; and that the said corporation has not filed Articles of Dissolution as of the date of this certificate.

This certificate relates only to the legal existence of the above named entity as of the date issued. This certificate is not to be construed as an endorsement, recommendation, or notice of approval of the entity's condition or business activities and practices.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the official seal of the Arizona Corporation Commission. Done at Phoenix, the Capital, this 22nd day of January, 2018, A. D.

Ted Vogt, Executive Director
