Re: Monthly Open Statewide Contracts Report

The State Procurement Office would like to share the Statewide Contracts that are currently active with the State of Arizona; given that agencies and cooperative members are the intended users of the report, we want to ensure you have access to this resource. We would appreciate any feedback on the report to ensure that contract users find the content useful.

State Agency Google Users:

Below is the link to the Open Statewide Contracts Report:

[6.3.2024 Open Statewide Contracts](#)

Non-Google Users:

Please see the attached Excel spreadsheet. Keep in mind that you will not be able to read the report in real-time as Google users will. Contract managers may offer contract updates throughout the month, and you may miss them at that time.

Please note that the Open Statewide Contracts Report will only be sent out on the first day of the month or the following business day.

Please reach out to Gloria Fielding at gloria.fielding@azdoa.gov if you have any questions or concerns.

Thank you!
