**Re:** FY2010-2011 Annual Professional Services List available

The Final List resulting from Request for Qualifications ADSP010-00000084 has been finalized and is available for viewing at [http://www.spo.az.gov/Special\\_Services/AE\\_List%202010\\_11/default.asp](http://www.spo.az.gov/Special_Services/AE_List%202010_11/default.asp).

Along with the List itself are several other items posted that should help navigating the List.

- FY2011 Professional Services - SOQ (Look-Up) is an Excel spreadsheet containing information supplied by the Firms that submitted. X's mean the service/experience was elected, O's mean the service/experience was not elected. Using the Sort function in excel, this spreadsheet can be used to help narrow the field to those Firms possessing the services/experience desired.
- Exhibit I - General Guidelines for Subsequent Selection Process is a pdf filed that should help provide some basic guidance of the steps required to use the List.
