Re: Actuary Contract Solicitation Kick-off Meeting

The current statewide actuarial services contract will expire June 30, 2011. If you are interested in using a statewide contract for actuarial services, please email me with the contact information for your agency so that I may schedule a kick-off meeting. If you could get back to me this week, it would be much appreciated.

Feel free to call me with any questions you may have.

Thank you,
