AZ DPS TASER CONTRACT SCC090006
03 APRIL 2012

ProForce Law Enforcement being the Sole Source Distributor of Taser products for the State of Arizona would like to have this contract amended to include the new Taser X2 models and accessories. This product was introduced to the law enforcement community January 2011 and was not available at the time this contract was entered into by both parties.

- 1.1 Taser International provided a letter stating the product was not available at the time of the initial contract.
- 1.2 We have included a current X2 brochure and price list for the X2 as well. This item does fall within the established contract group.
- 1.3 We have included a couple of invoices of the product that were sold to law enforcement agencies during the period of January 2011 to the present.
- 1.4 ProForce in conjunction with Taser International will hold the current pricing for X2 for this contract extension which will run from 11 September 2011 through 10 September 2012 based on the law enforcement price list.
