Re: Statewide Contract Requirement for ISO 17025 Accreditation

The State Procurement Office (SPO) is investigating the possibility of a statewide contract for ISO 17025 Accreditation. If your Agency is interested or has a need of these services, please contact Terri Johnson at SPO. If there is enough interest, a follow up Notice may be sent for a Focus Group meeting, where information about the scope of work and other requirements will be discussed.

If you are interested, please respond via email to terri.johnson@azdoa.gov , by March 29, 2013.

Thank you
