Re: Issues reported with ProcureAZ usage in Internet Explorer Version 10.

There have been issues reported with using Internet Explorer version 10 and ProcureAZ. It has been confirmed with Periscope that ProcureAZ is optimized for Internet Explorer up through version 9. Please ensure that your IT staff doesn't automatically upgrade your IE browser to version 10, or if they already have and you are experiencing issues that they revert you back to Internet Explorer 9.

If you have any questions please contact the Help Desk at 602-542-7600 (option 3) or email procure@azdoa.gov.
