Subject: ProcureAZ Alert - ProcureAZ is currently experiencing performance issues
Importance: High

ProcureAZ Alert

Date: March 4, 2014
To: Agency Chief Procurement Officers, Technical and Leads and User Group Members
From: ProcureAZ Help Desk
Re: ProcureAZ is currently experiencing performance issues

Due to continuing performance issues in ProcureAZ, the State Procurement Office is highly recommending postponing all bid openings scheduled for today to tomorrow. We have again escalated the issue with Periscope but we do not have any more information at this time.
