Subject: ProcureAZ Alert - ProcureAZ performance is back to normal

ProcureAZ Alert

Date: March 4, 2014

To: Agency Chief Procurement Officers, Technical and Leads and User Group Members

From: ProcureAZ Help Desk

Re: ProcureAZ is performance is back to normal

Periscope recycled all the application servers and ProcureAZ performance is back to normal at this time. Please let us know (through your designated technical leads) if the system starts slowing down for you again.

Thank you.
