Subject: ProcureAZ Alert - ProcureAZ performance issues appear to be resolved

ProcureAZ Alert

Date: March 4, 2014

To: Agency Chief Procurement Officers, Technical and Leads and User Group Members

From: ProcureAZ Help Desk

Re: ProcureAZ performance issues appear to be resolved

Yesterday's performance issues appear to be resolved—please let us know (through your designated technical leads) if you are still experiencing problems. Periscope is continuing to investigate the cause with our hosting provider.
