**ProcureAZ Alert**

**Date:** October 23, 2014

**To:** Agency Chief Procurement Officers, Technical and Leads and User Group Members

**From:** ProcureAZ Help Desk

**Re:** Reporting / Printing in ProcureAZ currently unavailable

The Help Desk is aware of the issues with Printing and reaching the report servers this morning. We are in communication with Periscope and they are investigating the issue. At this time, there is no ETA for a resolution.

We will let you know once the matter has been resolved or new information becomes available.

Thank you,
