The following Hot Sheet – related document has been posted on the SPO website at <https://spo.az.gov/administration-policy/procureaz-state-agency/hot-sheets>:

**Funding Does Not Equal Commodity Line** AFIS issues the "Funding Total does not equal Commodity Line Total (A159)" error on different ProcureAZ documents and also for different reasons. The swim lane diagram is an attempt to help you determine where you should seek assistance/what your next steps may be based on your ProcureAz document type and situation.

We have also updated the Hot Sheet Summary document on this page.
