

ProcureAz Alert

Date: March 9, 2016

To: State Agencies

From: ProcureAZ Help Desk

Re: ProcureAZ System Performance Remedies

The hardware deployed last Friday night to remediate ProcureAZ performance issues has not provided the relief Periscope anticipated. They will be increasing server capacity again. We will send out an update when we have an ETA for the hardware deployment.

We sincerely apologize for the inconvenience this is causing.

Please continue to contact the Help Desk through agency technical leads with performance issues as we are keeping track of agency impacts.

Thank you
