

ProcureAz Alert

Date: April 26, 2016

To: State Agencies

From: ProcureAZ Help Desk

Re: ProcureAZ Alert: ProcureAZ Performance Issues

ProcureAZ began to experience performance issues beginning at 2:30PM Arizona time. Because of this, we recommend that any bids that were due at 3:00pm today be amended to provide an extension of 24 hours. This per the Standard Procedure No SP021 – “2 Unscheduled ProcureAZ Downtime.” The document can be found here <https://spo.az.gov/administration-policy/state-procurement-resource/standard-procedures>. The Help Desk did receive calls from vendors who were unable to complete quotes before deadline due to slow ProcureAZ performance.

If you have any questions please contact the Help Desk at 602-542-7600, option 3, or email procure@azdoa.gov.
