Re: Black Box's account has been reactivated for payments/receipt only

This alert is to notify Agencies that the Black Box vendor account within AFIS and ProcureAZ has been reactivated so that agencies can receive against POs with outstanding invoices.

The Contract is still terminated, and no new orders can be sent to Black Box. However, outstanding invoices need to be paid at this time and as such, accounts have been reactivated to accommodate payments.

Please reach out to me directly should you have any questions, Charlotte Righetti 602-542-9127 or charlotte.righetti@azdoa.gov

Thank you.
