Re: Tuesday, May 31 - System Down after 8p for Fix Deployment

ProcureAZ will be down for fix deployment on Tuesday, May 31st after 8:00p. Periscope expects the outage will last approximately 90 minutes.

- The fixes address issues with the fiscal year roll period in ProcureAZ. More information will be sent once they have been deployed.
- The training environment will be down for the same fix deployment during business hours on the 31st.
- The fixes have already been deployed to the UAT environment.
