Re: AFIS will be Down Overnight on Saturday, October 24th for Maintenance

From the AFIS team:

We will be conducting maintenance on the Production Servers starting at 6:00pm October 29th, 2016 (Saturday).

- This maintenance is estimated to last until 8:00am October 30th, 2016 (Sunday).
- This maintenance will affect the following environments and Databases (they will not be accessible during this time)
 - **Production**

ProcureAZ users will still be able to create purchasing documents (including invoices) but they cannot be processed through final approvals or sent to vendors during the AFIS downtime.

Thank you
