**Re:** ProcureAZ Maintenance Window for November

---

The ProcureAZ maintenance window for this month is this weekend, November 11-13. According to Periscope, there will be a small window of downtime:

This month some major upgrades to the capacity and redundancy of our production servers is planned, however the expected downtime is fairly brief. We do not know the exact timing of the work this weekend, but we expect there to be less than 30 minutes of downtime while the updates are being done, with the possibility of 30 minutes downtime later if it is determined that the changes need to be rolled back.

If you have any questions or concerns, please contact the Help Desk at 602-542-7600, option 3, or email [procure@azdoa.gov](mailto:procure@azdoa.gov).

Thank you!
