Re: AFIS Production Anticipated Availability Thursday, December 15, 2016

From the AFIS team:

Due to AFIS being unavailable for processing the last three business days, a large volume of transactions is expected to process in tonight's (12/14/16) batch cycle.

- AFIS is expected to be available by **9:00 AM.**
- To see the entire article go to the GAO Website at: <https://gao.az.gov/afis-production-anticipated-availability-thursday-december-15-2016>

ProcureAZ users will still be able to create purchasing documents (including invoices) but they cannot be processed through final approvals or sent to vendors during the AFIS downtime.

Thank you
