**Re:** ProcureAZ Alert – AFIS Production will be down at 3:30PM for 30 minutes

---

From the AFIS team:

**AFIS Production will be bounced today at 3:30 p.m. The system is expected to be available again at 4 p.m. We will update the website once the system becomes available.**

To see the entire article go to the GAO Website at: <https://gao.az.gov/resources/news>

ProcureAZ users will still be able to create purchasing documents (including invoices) but they cannot be processed through final approvals or sent to vendors during the AFIS downtime.

Thank you
