Subject: SPO ALERT: Medical, Industrial, and Specialty Gases

SPO ALERT

DATE: August 2, 2017
TO: State Agencies and Cooperative Members
FROM: State Procurement Office
RE: Award of: Medical, Industrial, and Specialty Gases

The State Procurement Office has awarded the following Contract for Medical, Industrial, and Specialty Gases:

Contract #ADSP017-178732 with Matheson

Description of Services

Matheson will serve as the Medical, Industrial, and Specialty Gas single source provider throughout the state of Arizona. MATHESON produces and supplies industrial and specialty gases, and gas handling equipment in the United States. The company offers semiconductor, medical, welding, atmospheric and bulk, and cylinder gases for customers using gas in their labs, fabs, plants, and processes. It also designs and manufactures gas purification systems, generators, delivery systems, filters, purifiers, detection equipment, control valves, and management accessories; and gas cylinder enclosures, source manifolds, and panels, as well as helium recovery solutions.

Transition Process

Please continue to use Matheson Contract # ADSP013-037818 until 9/30/2017. Contract #ADSP017-178732 with Matheson will be live October 1st 2017 and will have revision of services and pricing.

If you have any questions regarding the new Contract and/or the Transition Process, please contact Christopher Lacey Christopher.lacey@azdoa.gov or at 602-542-7165
