Re: ProcureAZ Alert: ProcureAZ Will be going offline at 11:50AM

ProcureAZ will be taken offline to fix an unforeseen issue impacting **Invoices**. Please save your document you are currently working on and exit ProcureAZ to ensure proper saving. As an FYI any invoices that have been entered in the last 60 minutes may have to be recreated.

ETA for resolution is 2 hours. Once ProcureAZ is back online we will send out another alert to notify resolution is complete. We apologize for the extremely short notice and any inconvenience this may cause.

If you have any questions please contact the Help Desk at [602-542-7600](tel:602-542-7600), option 3, or email procure@azdoa.gov.
