Re: Contract Change-Assignment of Interests Drug and Alcohol Testing-LabCorp

As of November 18, 2016, Laboratory Corporation of America Holdings (LabCorp) entered into a definitive agreement to acquire select operating assets of Southwest Laboratories, Inc. in Phoenix, AZ (Southwest). All accounts have now been transitioned from Southwest to LabCorp.

To continue utilization of the statewide contract for these services, all activities for contract ADSPO12-018317 with Southwest will now occur under contract ADSPO18-190248 with LabCorp. The current CI remains in effect through January 31, 2018, and work regarding a new contract for the state is underway.
