Date: January 12, 2018

To: Agency Chief Procurement Officers, Technical and Leads and User Group Members

From: ProcureAZ Help Desk

Re: **Waxie G2B Punchout will be unavailable this weekend.**

We apologize for the late notice.

Waxie punchout will be going offline this weekend for scheduled maintenance, we will disable the ability to access the punchout during this time. We will reenable on the morning of 1/16 if everything works as planned. Waxie can still accept and process direct release purchase orders from ProcureAZ and you may also call in orders directly to Waxie @ [\(800\) 292-9437](tel:8002929437). Please share this information with your ProcureAZ users accordingly.

Thank you
