

SPO ALERT

To: State Agencies and Cooperative Members

From: State Procurement Office

Re: New Solicitation for Drones, Remotely Operated Devices, and Related Goods and Services

The State Procurement Office plans to conduct a solicitation for the award of multiple contracts for Drones, Remotely Operated Devices, and Related Goods and Services. The scope of this solicitation will include various technological devices designed to operate on land, sea, and air, and will include related goods and services (countermeasures, repair parts/accessories, maintenance, and training/qualification). SPO anticipates usage by law enforcement and other hazardous occupations or operations, but desires input from all state agencies and cooperative members regarding potential applications of these technologies.

Please send your input or comment to Nick Perrera, Statewide Procurement Manager, at nick.perrera@azdoa.gov or call 602-542-9128 by **May 10, 2019**.
