**SPO ALERT**

**Date:** July 21, 2010

**To:** State Agency Chief Procurement Officers, Cooperative Program Membership

**From:** State Procurement Office

**Re:** Future Purchases of IBM software

Effective August 1, 2010, IBM software licenses cannot be purchased through the State of Arizona's Software Value-Added Reseller contract AD050028 with Dell Marketing (formerly ASAP).

Dell Marketing does not have the certifications now required by IBM of their resellers. The State of Arizona has therefore entered into negotiations with IBM to establish a direct (statewide) contract for their software. When completed, the contract will be posted on ProcureAZ.

Inquiries regarding this notice should be directed to Maureen L. McGovern, the Procurement Officer for statewide contracts for IT software, as indicated below.
