Subject: VIP Alert - AZ awards among new WSCA PC-printer-server contractors
Attachments: WSCA-PC-Tentative Agenda 071409.doc

WSCA (the Western States Contracting Alliance) is finalizing their negotiations with the recommended awardees of their solicitation for PCs, printers, and servers/storage.

The State of Arizona must enter into direct Participating Agreements with those WSCA contractors identified as the providers who would best serve the needs of the State of Arizona and its Cooperative Partners.

Attached is a tentative agenda for a meeting scheduled for Tuesday, June 14 at 3:00 at the AZ Department of Administration, Third Floor conference room, to discuss this effort.

I am asking VIP Procurement Officers to share this information with their IT Departments and determine if your agency needs to be represented in this meeting and wishes to provide their input on their needs for PC, etc. products over the next five years.

I would appreciate receiving an email (by COB this Friday) with the contact names and email addresses of possible participants from your agency.

Thank you for your assistance
