Re: ADSP011-007500 Software Value Added Reseller Contract

For clarification, the Arizona State Procurement Office (SPO) is the lead State and Agency for the management of the WSCA Master Price Agreement for software purchases and associated services. There were three (3) awarded Suppliers to the Master Price Agreement. However, only one (1) Participating Addendum (Contract) has been signed by the State for use by all State Agencies, Commissions, Boards and Cooperative Members. The Supplier is SHI International Corp, resulting in Contract number ADSP011-007500. The Contract is available in ProcureAZ.
