Re: EPS080126-1-A4, EMI Filtration Products for HVAC Filters

EMI Filtration Products has decided not to extend their State contract beyond its current expiration date of 6/30/10. EMI Filtration Products' closed their Phoenix warehouse and finds that they cannot deliver the filters without shipping charges, as required by contract.

Contracts with the other two vendors for HVAC Filters, AAF-McQuay, Inc. and Aire Filter Products, have already been extended through 6/30/11.
