Re: Executed contract ADSPO10-000189 - Transource - WSCA Computers/ Servers/ Storage/ Printers/ Peripherals

Effective immediately, a Participating Addendum (PA) has been completed with Transource. This PA, together with the Master Price Agreement (MPA) awarded to Transource through a WSCA solicitation, forms the contract between Transource and the State of Arizona for the referenced products.

Transource is a manufacturer and third party reseller, so such product lines as Canon, Fujitsu, Hitachi, and Panasonic and others are now available through this contract. The contract is now viewable on ProcureAZ. At the time the contract was loaded onto ProcureAZ, the Transource website link for the State of Arizona had not yet been established. The correct link is: <http://www.transource.com/wsca/az>.

Inquiries regarding this notice should be directed to Maureen L. McGovern, the Procurement Officer for the above referenced contract, as indicated below.
