Re: Evaluators for ADSP010-00000075, Job Order Contracting Consultant RFP

On behalf of ADOA, the State Procurement Office is issuing an RFP for a Job Order Contracting Consultant. The Consultant will assist the State in the design, implementation and subsequent maintenance of a Job Order Contracting program.

It is anticipated that the Consultant may also provide some assistance to other State agencies and Cooperative Program Members in the event of one or more statewide Job Order contracts. For this reason, the State Procurement Office is seeking candidates from statewide contract users to serve on the Evaluation Committee.

Names and contact information of candidates should be sent to the Procurement Officer, Elizabeth Casteel, by Friday, May 14. Elizabeth may be contacted using the information below.
