**SPO ALERT**

**Date:** June 8, 2010

**To:** State Agency Chief Procurement Officers, Cooperative Program Membership

**From:** State Procurement Office

**Re:** Lessor's Business Machines

Some of you may have received a letter from Lessor's Business Machines stating their contract pricing for Equipment Services will remain in place for FY 2010-11. This letter may have included an inventory listing of your machines as well as an invoice and a service agreement.

Lessor's Business Machines does not have a State Contract for Equipment Services. This invoice should be disregarded and the service agreement should **NOT** be signed.

Any service agreement should be handled by your Agency Procurement Office as competition may be required.

Please feel free to contact me if you have any questions in this matter.
