Re: Next Annual Professional Services Request for Qualifications

The next Annual Professional Services Request for Qualifications is currently scheduled to be issued in early June. Similar to the previous such RFQ, the solicitation will not result in contracts; instead, a list will be produced from which users may select participants for completion of the required competitive process.

For a current list of categories which the solicitation may ask the professionals to choose from and identify themselves with, please respond to Elizabeth Casteel at Elizabeth.Casteel@AZDOA.gov or 602-542-9141. Feedback is welcome by Wednesday, May 26, 2010.
